

# Ministry in Lutheran Education

## Introductory Workshop

The Ministry in Lutheran Education – introductory workshop has been designed to support the wide range of ministry personnel in Lutheran schools and Early Childhood Services, including youth interns, youth workers, pastoral care staff, chaplains who may be ordained in different denominations, teachers and Lutheran Church of Australia pastors.

### Purposes:

- Further develop understandings of the theological concepts and policies that shape the purpose and practice of mission and ministry in Lutheran education.
- Explore and develop competency in aspects of mission and ministry in Lutheran education such as worship, pastoral care, formation.
- Consider the context of Lutheran education and how it shapes mission and ministry with children, young people, staff and families.
- Nurture and encourage ministry personnel in their personal, spiritual and theological journey.
- Develop networks in order to learn, share and collaborate.
- Receive *Accreditation for ministry personnel status*.

### Costs

Lutheran Education Australia (LEA) is sponsoring the workshop costs. Schools will be responsible for costs related to travel and accommodation. [LEA may be able to provide financial assistance for travel and accommodation for schools with demonstrable need. Email requests [HERE](#) please.]
