

Connect ePortfolio guidelines

These guidelines assist Connect participants to complete their Connect ePortfolio.

CONNECT SESSION REFLECTIONS:

Induction (minimum of 90 mins)	Yes/No
I have had opportunity to find out about the Connect sessions and the ePortfolio components.	
I have chosen and set up my ePortfolio template/platform.	
I have explored and recorded my reflections on: - my beliefs and purposes as a staff member - what matters most in Lutheran education and how we live that out - my questions on the Lutheran Church of Australia and Lutheran Education	

For EACH Connect Session, I have completed the following:	Yes/No
Connect Session 1 GRACE min 2 ½ hours	
Connect Session 2 CREATION min 2 ½ hours	
Connect Session 3 COMMUNITY and VOCATION min 2 ½ hours	
Connect Session 4 GOD'S WORD min 2 ½ hours with Regional Facilitators	
In my own words, I have described my understanding of the theological concept.	
I have described how the theological concept informs my experience and role in Lutheran education.	
I have referenced and articulated how at least two resources and/or learning experiences from Connect helped develop my understanding of the theological concept.	
I have identified and described any questions I have about the theological concept and/or its application within my Lutheran learning community.	

FINAL CRITICAL REFLECTION: (min 2½ hours with Regional Facilitators)	Yes/No
Outcome 1 – Connect Session reflection notes - I have reviewed and completed my Connect Session reflection notes for the Induction and each Connect Session 1 – 4 as above. - I have identified my 'aha' moment from Connect to share with a leader at my Lutheran education community.	
Outcome 2 - Making connections - I have described and explained a deeper understanding of a Lutheran perspective on ONE theological concept from Connect (eg. by engaging with at least TWO additional resources on this concept). - I have provided specific examples to show how this concept informs and shapes the identity and culture (eg. practices, policies or documentation etc) of my Lutheran education community (ie. service, school or classroom).	
Outcome 3 – Professional learning plan I have developed a professional learning plan that: - Identifies one unresolved question, issue or area of interest from Connect - Explains why this is important to my understanding, practice and role in Lutheran education. - Articulates specific steps and resources to continue my learning and growth.
